# Tournament Activity Record

We strongly recommend that you get into the habit of keeping track of your tournament activity. Below is a chart for you to use to enter the information that is needed if you are entering an AJGA Tournament, Jr. Series Tour event, creating a golf resume, etc. If you have a handicap, it is also useful for keeping track of the scores you need to enter into the GHIN system. You will be responsible for entering your recreational scores into GHIN. The Section office will entry your tournament scores. Please see your Club Pro if you need assistance entering your scores.

*Field Size = how many players were there in your age division
